AUSTIN, Texas, Nov. 3, 2021 /PRNewswire/ -- Spindletop Health Acquisition Corp. (the "Company"), today announced the pricing of its initial public offering of 20,000,000 units at a price of \$10.00 per unit. The units are expected to be listed on the NASDAQ Stock Market and trade under the ticker symbol "SHCAU" beginning November 4, 2021. Each unit consists of one share of the Company's Class A common stock and one-half of one redeemable warrant. Each whole warrant entitles the holder thereof to purchase one share of Class A common stock at a price of \$11.50 per share. Only whole warrants will be exercisable. Once the securities comprising the units begin separate trading, the Company expects that its Class A common stock and warrants will be listed on the NASDAQ under the symbols "SHCA" and "SHCAW," respectively.

The Company was formed for the purpose of effecting a merger, capital stock exchange, asset acquisition, stock purchase, reorganization, or similar business combination with one or more businesses. The Company's efforts to identify a prospective target business will not be limited to a particular industry or geographic region, although it intends to focus on identifying, acquiring and building an undervalued, growth-oriented company in the healthcare services sector.

Barclays and Stifel, Nicolaus, & Company, Incorporated are acting as joint book running managers. The Company has granted the underwriters a 45-day option to purchase up to 3,000,000 additional units at the initial public offering price to cover over-allotments, if any.

The public offering is being made only by means of a prospectus.
